

Dear IATF Recognized Certification Body:

Thank you for your interest in becoming a member of the (IACBA) International Automotive Certification Bodies Association. If you wish to join, please review the bylaws of the Association and complete the membership application. By becoming a member, you will be agreeing to abide by the by-laws of the Association, so please review them carefully.

IACBA was formed to facilitate the establishment of effective Automotive Management Systems. Our members strive to continually improve these systems through consistent application of the ISO/TS 16949 with the requirements of ISO/IEC 17021, as applicable, and the IATF Automotive Certification Scheme for ISO/TS 16949. We meet regularly to discuss issues and reach consensus, develop industry positions based on this consensus and finally communicate these positions to relevant organizations to effect change. Conversely, customers and oversight bodies use IACBA as a forum to improve the services provided by our members. By joining, you will have access to the best practices and most current information available in automotive supplier certification.

Should you have any questions on the IACBA or any of the information presented here, please do not hesitate to contact the undersigned at chris.miller@eagleregistrations.com or the Chairperson of the Association, Jeanette Preston at JPreston@SmithersMail.com. We look forward to welcoming you to the membership of IACBA.

Yours truly,
**INTERNATIONAL AUTOMOTIVE
CERTIFICATION BODIES ASSOCIATION**
Chris Miller
Director of Membership
